# Career Opportunity

---

## Bridge Inspection Program Manager

Markosky has an immediate need for a **Bridge Inspection Program Manager** in our Structures Department.

The successful candidate will be based in one of our offices (Ligonier, PA; York, PA; or Steubenville, OH). Markosky is currently working in a hybrid work environment. Travel to the office 1-3 days per week is required.

This position is expected to involve the management of the inspection of bridges and other highway structures. This position may also afford the successful candidate the opportunity to play a key role in the development of statewide inspection procedures and practices.

### ABOUT US

Markosky is a full-service Environmental, Engineering, and Construction Services firm. We provide services in environmental science and engineering, archaeology, historic structures, construction inspection and management, transportation and structural engineering, bridge inspection and site development.

### WHY CHOOSE A CAREER AT MARKOSKY

- We are dedicated to the growth of each employee and have a [Professional Development Program](#) in place to guide each employee through the steps in their career.
- We offer a hybrid work week schedule, unique to each position.
- Full-time positions come with a competitive benefits package. **See details on following pages.**
